

The Ritual of Justice with **Hecate** Brimo's Guidance

Introduction: The Ritual of Justice with **Hecate** Brimo's Guidance is a sacred ceremony that invokes the power of the fierce goddess **Hecate** Brimo to seek justice, balance, and fairness in personal or collective matters.

Materials Needed:

- A secluded and quiet space, preferably outdoors under the moonlight or indoors with dim lighting.
- An altar or small table adorned with symbols of **Hecate**, such as an image or statue.
- Three black candles.
- A set of scales or a representation of justice (e.g., a justice card from a tarot deck).
- A piece of black cloth.
- Incense, such as myrrh or sandalwood.
- A piece of parchment or paper and a pen.
- Optional: Offerings for **Hecate**, such as herbs, flowers, or a small plate of food.

Preparation:

- Begin by purifying the ritual space using your preferred method, such as smudging, sprinkling salt, or performing a cleansing ritual.
- Set up the altar or table in the center of the space, ensuring it is stable and can hold the candles, scales, and other objects securely.
- Place the three black candles on the altar, equally spaced apart.
- Position the scales or representation of justice in front of the candles.

- Cover the altar with the black cloth, symbolizing the gravity and seriousness of the ritual.
- Light the incense and place it on the altar, allowing its aromatic smoke to fill the air.
- Take a few moments to ground yourself, focusing your intention on invoking Hecate Brimo's guidance and seeking justice and balance.

The Ritual:

Stand before the altar and light the three black candles, one by one, starting from the leftmost candle and moving clockwise. As you light each candle, recite the following invocation:

"**Hecate** Brimo, goddess of fierce justice, I call upon your unwavering guidance. Illuminate the path of righteousness before me; Bestow justice, balance, and fairness in all I seek."

Take a deep breath, allowing the energy of **Hecate** Brimo to envelop you and fill the space with her presence.

Gently place the scales or representation of justice on the black cloth before the candles. Take a moment to observe them, acknowledging the importance of balance and fairness.

Pick up the piece of parchment or paper and write down the situation or issue for which you seek justice. Be clear and specific, expressing your desire for a fair and just resolution.

Hold the paper in your hands, infusing it with your intention and the energy of **Hecate** Brimo, and say:

"**Hecate** Brimo, goddess of unyielding justice, Hear my plea for fairness and balance. Guide the scales of justice with your mighty hand, Bring forth righteous outcomes, and restore harmony."

Place the parchment or paper on the scales, symbolizing the weight of your plea for justice and the need for balance.

Stand before the altar, focusing your attention on the scales and the candles. Visualize the energy of **Hecate** Brimo infusing the scales, tipping them in favor of justice and righteousness.

Spend a few moments in silent contemplation, connecting with the energy of **Hecate** Brimo and trusting her guidance in bringing about a just resolution.

Express your gratitude to **Hecate** Brimo for her presence and assistance in seeking justice. You may choose to offer a few words of thanks or leave physical offerings on the altar.

Closing: When you feel ready, extinguish the candles
